INNOVATIVE

The BE CREATIVE Collection consists of special products, developed and hand-picked with creativity and special customisation in mind. Imprints are almost entirely made with digital technologies, ensuring colourful and high-resolution prints.

ACCESSIBLE

BE CREATIVE products are custom-made in our in-house production facilities or assembled from our stock of parts. They are manufactured, assembled or printed in Europe. This ensures short delivery time and low minimum order quantity, even for entirely custom-made products.

On every page we present different features and customisation options of a product or product group. All you have to do is choose from a variety of materials, colours, shapes, sizes and printing technologies.

This year the BE CREATIVE e-catalogue includes the downloadable template for every item and CreaBox, so you can easily design your graphics.
